

Dear horse owners!

My name is Antonia Wacker. I turned 16 last December and have been riding at Okakambe Trails for the past 9 years and already leased several horses (Mogli, Oskar, Ginger). I've been coached by Kathrin Schaefer-Stiege and Silke Kubirske and took part in numerous shows including the FEI Dressage Challenge and some Dressage Championships, of which I have won the Junior Championships in 2007.

I have moved to Windhoek this year to do the "Abitur" at the DHPS. I now live in the DHPS hostel for the next 2.5 years and I would hate to give up horse riding. Therefore I am looking for a possibility to regularly exercise a well-mannered, not too big dressage horse at the Auas View Stables or Gymkana Club Windhoek twice a week and on some weekends either on a lease, rental or just free base..... I also want to organize myself an instructor to give me regular lessons on the horse.

I'm reliable, hardworking, dedicated and horseknowledgeable. My parents are supportive and positive towards my horse riding.

Any further details can be discussed. Feel free to contact me 081 2960350, my parents 064 405717 / [wacker@iafrica.com.na](mailto:wacker@iafrica.com.na) or Clara Schneeweiss (Gymkana Club Whk).

Thank you  
Kind regards  
Antonia Wacker
